

PLEASE READ!!!

This year, our classroom (as well as the entire upstairs floor) will be a peanut/sunflower free zone. This includes any products containing peanut/peanut oil as well as sunflower seeds/sunflower oil. If the food item states that there "may be traces" of the above ingredients, these foods MAY be consumed in the classroom. We appreciate your support in this effort to ensure the safety of our students.

Welcome to Grade 7. I am back from my maternity leave and eager to begin the year! Even though I had a fantastic year at home with my two little ones, and my eldest was extremely busy with extra-curricular activities, I definitely missed being in the classroom. While on my leave, I continued my professional growth by obtaining my Reading Specialist, giving me many strategies and activities to incorporate into my program.

I hope everyone had a relaxing summer! Getting back into the "routine" of

the school year can often take some getting used to. I am always available if you have any questions/concerns. Please feel free to contact me at the school any time. My email address is jleishman@mail.rrdsb.com or phone the school (274-3616 ext, 506) and I will return your message by the end of the day.

Intermediate Staff

We will be continuing with rotary this year. In addition to teaching Home-room, Language and Math, I will be teaching all of the intermediate Phys. Ed and Health classes. Mrs.

Davidson-George will be teaching the Grade 8 class as well as History and Geography to all classes. Grade 7/8 and all intermediate Science will be taught by Mrs. Bonner-Vickers. We have a new French teacher this year as Ms. Armour will be teaching in the Grade 4/5 classroom. We would like to welcome Ms. Jewell as the French teacher for the upcoming year!

Don't Forget!!
