

# 2016/2017 J.W. Walker School Council

## FUNDRAISING INITIATIVES

### Kindergarten Soccer Nets

Following the successful addition of new soccer nets for primary and junior students, School Council is supporting the purchase of smaller soccer nets for the Kindergarten playground.

### Outdoor Equipment Storage

School Council has been committed to purchasing sleds, shovels, and other fun outdoor equipment for the students to use during nutrition breaks. Additional storage to house this equipment will be valuable.

### Random Acts of Kindness

#### Grand Prizes: Bikes

School Council will purchase two bikes to be awarded in June 2017, with names drawn from students recognized for their random acts of kindness during the school year.
