

*J.W. Walker School  
is accepting  
online payments!*

**We considered using Sky Writing to notify parents of upcoming fees but it just wasn't practical.**

Informing parents of new school fees and receiving payment for those fees is much easier with School Cash Online.

It is safe, fast and convenient and unlike the sky writing idea it is not dependant on the weather.

## What is School Cash Online?

School Cash Online is an online payment service used by J.W. Walker School to advise parents of school fees assigned to their child.

Once a fee has been made available by the school you are able to quickly go online and make secure and convenient payments which are instantly sent to the school.

## Sounds great where do I start?

- 1 Go to the address below or click on the link School Cash Online on our website.
- 2 Take 3 minutes to register and attach your child to the newly created account.
- 3 Review and purchase the school fees you want to pay for by direct debit.
